Experience the epitome of luxury and performance with the 2013 Mercedes-Benz SLS AMG Roadster. This masterpiece, finished in a captivating matte grey exterior, is complemented by a passionate red interior, creating a blend of elegance and sportiness. But the SLS AMG Roadster is more than just its looks. Under the hood lies a powerful 6.3L V8 engine, delivering a staggering 563 horsepower, ensuring you can accelerate from 0 to 60 mph in a mere 3.7 seconds.

Every detail of this car speaks of precision engineering and unparalleled craftsmanship. From its rear-wheel drive that offers impeccable handling to its 7-speed AMG SPEEDSHIFT automatic transmission, every aspect has been designed to provide an unmatched driving experience. The car's exterior boasts of AMG 10-spoke forged alloy wheels with a matte black inlay and machine-polished face, while the interior is adorned with designo exclusive leather upholstery, ensuring comfort without compromising on style.

Safety is paramount in the SLS AMG Roadster, equipped with features like anti-lock braking system (ABS), LED daytime running lamps, and a comprehensive airbag system. Entertainment is also at its best with the COMAND cockpit management & data system, featuring a 7" color display, integrated RDS/TMP tuner, and a 40GB HDD-based navigation system.

And now, this engineering marvel is available for sale at Exotic Cars Dubai. With only 48,000 kilometers on the odometer, this car is a rare find, especially given its pristine condition. Don't miss the opportunity to own a piece of automotive history and drive in unparalleled style and luxury.
