Step into the realm of unparalleled luxury and performance with the 2017 Lamborghini Aventador S, now available at Exotic Cars in Dubai. This masterpiece, painted in a lustrous red, is a testament to Lamborghini's commitment to excellence, both in design and engineering. The exterior, a harmonious blend of sharp lines and aerodynamic curves, is accentuated by carbon trim, giving it a distinctive and aggressive look. Inside, the cabin is a fusion of luxury and sportiness with its black and red interior, further enhanced by carbon detailing, reflecting the car's racing DNA. But the Aventador S is not just about aesthetics. At its heart lies a beastly 6.5-liter V-12 engine, churning out an astonishing 730 horsepower, ensuring that you not only arrive in style but also with unmatched speed. This powertrain, combined with its advanced 7-speed ISR (Independent Shifting Rods) transmission, allows it to sprint from 0 to 60 mph in a mere 2.9 seconds. And with a top speed of 217 mph, it promises an adrenaline-pumping experience every time you hit the road. The Akrapovic sports exhaust, a notable addition, not only amplifies its menacing roar but also optimizes its performance, ensuring that the Aventador S stands out in both sound and speed. Advanced driving dynamics, including rear-wheel steering and magnetorheological dampers, ensure that this supercar offers a driving experience that's as smooth as it is exhilarating. Located in the heart of Dubai, Exotic Cars is proud to present this automotive marvel. Whether you're a car enthusiast or a connoisseur of luxury, the 2017 Lamborghini Aventador S is bound to captivate your senses
