Welcome to Exotic Cars Dubai, where automotive dreams become a thrilling reality. Introducing the new 2022 Ferrari 296 GTB Assetto Fiorano, a masterpiece that embodies the perfect balance of performance and luxury. With its striking grey and yellow exterior, this Ferrari commands attention wherever it roams.

The heart of the Ferrari 296 GTB Assetto Fiorano is a powerful V6 hybrid engine, paired with an electric motor. This innovative powertrain delivers astonishing performance and efficiency, propelling the car from 0 to 100 km/h in a mere 2.9 seconds. The hybrid technology not only enhances the car's speed but also reduces emissions, making it an eco-friendly choice without compromising on power.

Step inside the cockpit, and you'll be enveloped in pure luxury. The black interior exudes sophistication, with premium materials and state-of-the-art technology. The racing-inspired seats provide excellent support and comfort, ensuring an exhilarating driving experience on both road and track.

The Ferrari 296 GTB Assetto Fiorano is equipped with the exclusive Assetto Fiorano package, which further enhances its track capabilities. It includes a lightweight configuration with specially tuned suspension, racing-style seats, and carbon-fiber trim. With this package, the Ferrari 296 GTB is truly a sports car that's at home on the racetrack.

At Exotic Cars Dubai, we take pride in offering a variety of new Ferrari 296 GTB models for sale. Each car is meticulously inspected to ensure the highest quality and authenticity, guaranteeing an exceptional ownership experience.
