Experience automotive exhilaration like never before with our all-new 2023 Ferrari 296 GTB, an exclusive offering from Exotic Cars Dubai. This state-of-the-art marvel comes cloaked in a stunning Black exterior, harmoniously paired with an equally elegant Black interior. Engineered to push the boundaries of performance and luxury, this Ferrari 296 GTB is nothing short of a masterpiece in motion.

The captivating Black exterior embodies more than mere aesthetics; it stands as a symbol of elegance, power, and technological innovation. The design is timeless, yet forward-thinking, capturing the true essence of Ferrari's legacy while embracing the future of supercar engineering.

As you enter the cabin, the Black interior surrounds you, echoing the exterior's elegance while offering a sanctuary of refined comfort and luxury. Meticulous attention to detail is evident throughout—from the premium upholstery to the high-quality finishes, each element combines to create an environment that is as visually stunning as it is functional.

But this Ferrari is not just about appearances; it's a powerful performer. Underneath its beautiful exterior lies an all-new V6 hybrid engine capable of producing a mind-bending 819 horsepower. Its cutting-edge hybrid system offers not only exceptional speed but also enhances efficiency, embodying Ferrari's commitment to innovation.

Whether you're accelerating down a straight road or navigating through tight corners, the 296 GTB offers an unmatched driving experience. The integration of the latest technology ensures that every journey is an exercise in pure, unadulterated exhilaration, making this Ferrari a supercar in every sense of the word.

Exotic Cars Dubai is proud to present an extensive range of Ferrari models, each designed to fulfill the diverse needs and desires of our discerning clientele.
