	Engine Size	5.2L V10
	Specs	GCC
	Warranty	Sep 2026

Introducing the 2023 Lamborghini Huracán Tecnica, a supercar that effortlessly blends the thrill of the racetrack with the luxury of the open road. With its radiant yellow exterior complemented by a meticulously designed black and yellow interior, this vehicle is a testament to Lamborghini's commitment to excellence. At the heart of the Tecnica lies a naturally aspirated V-10 engine, producing a staggering 631 horsepower at 8000 rpm and a torque of 417 lb-ft at 6500 rpm. This 5.2-liter V-10 stands out in an era where many supercars have adopted turbochargers, delivering an almost instantaneous response, an 8500-rpm redline, and a sound that can only be described as pure exhilaration.

The Huracán Tecnica is not just about raw power; it's about the experience. With a 7-speed dual-clutch automatic transmission, it can sprint from 0 to 60 mph in a mere 2.8 seconds, reaching 100 mph in just 5.8 seconds. It boasts a top speed of 200 mph, ensuring that every drive is an adventure waiting to be had. Its dimensions, with a length of 179.8 inches, a width of 76.1 inches, and a height of 45.9 inches, give it a commanding presence on the road.

Beyond performance, the Tecnica offers a driving experience like no other. Whether you're navigating the tight bends of a racetrack or cruising on the highway, its advanced chassis and Bridgestone Potenza summer tires ensure maximum grip and control. The interior is a blend of luxury and technology, ensuring that every journey is as comfortable as it is thrilling.

Available now at Exotic Cars Dubai, this 2023 Lamborghini Huracán Tecnica is waiting for the discerning driver who demands the best in performance and luxury. Experience the pinnacle of supercar engineering and design with Lamborghini.
