Dive into the world of unparalleled luxury and performance with the Ferrari California T, now available at Exotic Cars Dubai. This low-mileage gem, draped in a mesmerising blue exterior, is complemented by a plush tan interior, exuding elegance at every glance. The California T is not just a car; it's an experience. It was Ferrari's experiment that hit the streets in 2009, marking several firsts for the brand. It was the first road-going Ferrari to place a V-8 in front of its driver and the first to feature a power-retractable hardtop.

Under the bonnet lies a twin-turbocharged and intercooled DOHC 32-valve V-8 engine, boasting a displacement of 235 cu in and 3855 cc. This engineering marvel churns out a staggering 552 hp at 7500 rpm and a torque of 557 lb-ft at 4750 rpm. Paired with a 7-speed dual-clutch automatic transmission, the California T rockets from 0 to 60 mph in a mere 3.3 seconds, making it Ferrari-fast. Its top speed? An exhilarating 196 mph.

But the California T isn't just about raw power. It's about the symphony of its engine, the snarl that's quintessentially Ferrari, and the thrill of open-top motoring. Its sleek design, inspired by models like the F12berlinetta, showcases Ferrari's commitment to aesthetics and performance. The car's interior is a testament to Ferrari's tradition, with aromatic panels of French-stitched leather, rigidly firm bucket seats, and a dashboard that's a blend of simplicity and modernity.
