The seven-speed dual-clutch automatic transmission ensures rapid gear changes, allowing the driver to experience the full potential of this magnificent machine.

The car's interior is a blend of luxury and functionality. The full interior carbon trim adds a touch of sophistication, while the passenger display ensures that even the co-driver can be engaged in the driving experience. The comfort seats, designed for both support and luxury, ensure that every journey in the F8 Tributo is as comfortable as it is exhilarating.

For those who value both performance and luxury, the 2020 Ferrari F8 Tributo is the perfect choice.
