Embrace the pinnacle of Italian performance with the used 2021 Ferrari SF90 Assetto Fiorano, now proudly presented by Exotic Cars Dubai. This formidable machine boasts a radiant red exterior that encapsulates its fiery spirit and racing heritage. The SF90 is not just a car; it's a statement of unmatched engineering and a testament to Ferrari's commitment to excellence.

The Assetto Fiorano package elevates the SF90's capabilities to new heights, offering a handling experience that's razor-sharp, responsive, and utterly exhilarating. This track-focused upgrade includes a suite of enhancements that shave off precious seconds on the circuit while maintaining a level of sophistication and comfort that is pure Ferrari.

Every inch of the exterior is meticulously crafted, with a full carbon package that includes a commanding diffuser and an aggressive front splitter. These elements not only enhance the car's aerodynamics but also its visual allure, making it a standout masterpiece of automotive design.

Inside, the black interior is a realm of focused performance. The full interior carbon package extends to the carbon bucket racing seats, complete with harnesses, ensuring that both driver and passenger are secured in utmost style and safety. The tactile feel of carbon under your fingertips and the embrace of the racing seats as you corner with precision make every drive an event to remember.

Beneath the sculpted hood lies a hybrid powertrain that sets new standards for road-legal sports cars, delivering electrifying acceleration and a symphony of engine notes that is unmistakably Ferrari.

This 2021 Ferrari SF90 Assetto Fiorano is more than a vehicle; it's a mobile masterpiece, eagerly awaiting its next discerning owner in Dubai. Visit Exotic Cars Dubai to experience this apex of automotive innovation and consider adding a legend to your collection.
