Embark on an exhilarating journey with the 2024 Porsche 911 Dakar, now available at Exotic Cars Dubai. This exceptional vehicle, inspired by the legendary Dakar Rally, is a testament to Porsche's commitment to performance and innovation. The 911 Dakar is not just a car; it's a multifaceted adventure on wheels, designed to conquer both urban landscapes and rugged terrains.

Key Features:

Engine and Performance: At the heart of the 911 Dakar is a robust 353 kW (480 PS) engine, ensuring a thrilling acceleration from 0 to 100 km/h in just 3.4 seconds. The top speed is an impressive 240 km/h, making it a powerhouse on any terrain. **Rally-Ready Design:** The vehicle boasts a specific front profile with additional protection, including a stainless steel front guard and reinforced aluminium eyelet. The rear is equally fortified with stainless steel protection and a fixed rear spoiler. **Increased Ground Clearance:** Unique to the 911 Dakar, the sports chassis is elevated by 50 mm compared to the standard model. An additional lift system can raise the car by 30 mm more, allowing for safe navigation over challenging terrains. **Rallye Sport Package:** Enhancing off-road and circuit driving, this package includes two six-point seatbelts, a Black powder-coated steel roll bar, and an easily accessible fire extinguisher. **Interior Excellence:** Inside, the 911 Dakar features a GT sports steering wheel with non-slip Race-Tex, decorative inlays in brushed Black aluminium, and a limited edition plaque. The full bucket seats are made of carbon-fibre reinforced plastic (CFRP) for optimal support and lightweight comfort. **Advanced Technology:** The 911 Dakar is equipped with the Sport Chrono Package, including Rallye and Off-Road modes, and a Rallye Launch Control for perfect starts on loose ground. The Surround View system aids in off-road navigation, displaying crucial terrain information on the PCM display. **Exclusive Accessories:**

Availability: This rally-inspired marvel is now available for purchase at Exotic Cars Dubai. Experience the blend of luxury, performance, and versatility that only the 2024 Porsche 911 Dakar can offer.
