Welcome to Exotic Cars Dubai, your gateway to the world of classic and high-performance sports cars. We are proud to present this iconic 1999 Ferrari 355 F1 GTS, a true collector's item with its stunning red exterior and classic black interior. This model embodies the spirit of Ferrari's racing pedigree and showcases the style and technology of its era.

The 1999 Ferrari 355 F1 GTS features the innovative F1-style transmission technology, which was groundbreaking at the time, providing drivers with fast, smooth gear changes akin to those experienced in Formula One cars. This vehicle is powered by a 3.5-liter V8 engine, delivering a thrilling 375 horsepower, which allows it to perform with the agility and speed that enthusiasts expect from the Ferrari brand.

The exterior's red color is quintessentially Ferrari, highlighting the car's sleek lines and aerodynamic design. The 355 F1 GTS model is known for its targa top, offering the freedom of open-air driving while maintaining the sleek look and feel of a coupe when closed. This feature makes the vehicle exceptionally desirable for collectors and driving enthusiasts alike.

Inside, the black interior complements the classic exterior, with seats and trim that reflect Ferrari's commitment to luxury and comfort. The cabin is designed to be both functional and inviting, with ergonomic seating and an intuitive layout that places all controls within easy reach, enhancing the overall driving experience.
