Welcome to Exotic Cars Dubai, where we specialize in providing the ultimate in luxury and performance vehicles. We are delighted to offer this elegant 2022 Ferrari Roma, a modern grand tourer that embodies the spirit of la dolce vita with its sleek design and dynamic capabilities. This model boasts a stunning pearl white exterior and a luxurious blue interior, complemented by full interior and exterior carbon trim and a state-of-the-art JBL sound system, among other premium features.

The 2022 Ferrari Roma represents a blend of contemporary and classic Ferrari design, creating a timeless appeal with its clean and sophisticated lines. Powered by a 3.9-liter twin-turbo V8 engine, the Roma delivers an impressive 612 horsepower, ensuring rapid acceleration and responsive handling that make it a joy to drive. The vehicle combines high performance with day-to-day usability, reflecting Ferrari's commitment to exceptional engineering and driving pleasure.

The exterior's pearl white finish gives the Roma an air of elegance and purity, highlighting the car's flowing silhouette and balanced proportions. The addition of exterior carbon trim not only enhances the aesthetic appeal but also contributes to the vehicle's aerodynamic efficiency, underscoring its sporty character.

Inside, the cabin of the Ferrari Roma is a haven of luxury, where every detail is crafted to perfection. The blue interior creates a striking and sophisticated environment, rich in contrast and designed for comfort. The seats and panels are accentuated with carbon trim, adding a contemporary touch to the classic design. The JBL sound system offers superior audio quality, turning the cabin into an immersive listening environment, perfect for enjoying music on the road.
