Welcome to Exotic Cars Dubai, where luxury meets performance in our exclusive collection of vehicles. We are excited to offer this used 2022 Range Rover Sport SVR, a high-performance SUV known for its exceptional capabilities and distinctive style. This model comes with a sleek grey exterior and a striking red and black interior, designed for those who demand both luxury and power in their driving experience.

The 2022 Range Rover Sport SVR is equipped with a potent 5.0-liter supercharged V8 engine, delivering an impressive 575 horsepower. This engine allows the Sport SVR to accelerate from 0 to 60 mph in just 4.3 seconds, combining exhilarating performance with the versatility and comfort of an SUV. The vehicle features an enhanced sports suspension and dynamic response systems that adapt to varying terrains and driving conditions, ensuring optimal handling and stability.

The exterior's grey color adds a sophisticated and understated elegance to the Sport SVR's aggressive design, highlighting its muscular contours and sporty stance. This color choice complements the Range Rover's dynamic lines and enhances its road presence.

Inside, the cabin of the Sport SVR is a blend of sportiness and luxury. The red and black interior creates a visually appealing contrast, accentuated with premium materials and finishes. The seats are upholstered in high-quality leather with unique SVR branding, providing comfort and support whether navigating city streets or exploring off-road terrains. The vehicle is equipped with advanced technology features, including an intuitive infotainment system, digital displays, and a comprehensive suite of driver assistance technologies, ensuring a safe and enjoyable driving experience.
