Welcome to Exotic Cars Dubai, your gateway to the world of ultra-luxury vehicles. We are proud to present this used 2017 Rolls Royce Wraith Black Badge, a vehicle that exemplifies elegance and formidable performance. This exclusive model boasts a sleek black exterior and a sophisticated black and blue interior, equipped with full driver assistance features and a bespoke audio system, crafted for the discerning enthusiast who seeks unparalleled refinement and power.

The 2017 Rolls Royce Wraith Black Badge is the more dynamic and assertive version of the classic Wraith, engineered for those who desire a bolder expression of Rolls Royce's iconic luxury. Powered by an enhanced 6.6-liter V12 twin-turbo engine, the Black Badge edition offers increased power and torque, delivering an effortlessly smooth yet exhilarating driving experience. The enhanced handling features and more responsive drivetrain components ensure that the Wraith Black Badge remains as comfortable driving through city streets as it is on long, winding roads.

The vehicle's all-black exterior reflects a commanding presence and contemporary aesthetic, further accentuated by the unique Black Badge carbon alloy wheels and the darkened chrome elements. This bold styling continues inside, where the luxurious black and blue interior creates a dramatic and inviting atmosphere. The cabin is adorned with high-quality materials and intricate details, including the bespoke audio system designed to provide the ultimate sound experience, tailored specifically for the acoustics of the Wraith Black Badge.

In addition to its luxurious appointments, the Wraith Black Badge is fitted with a comprehensive suite of driver assistance technologies designed to enhance safety and ease of driving. These features include adaptive cruise control, lane departure warning, and a heads-up display, providing both comfort and confidence to the driver.
