This exceptional supercar, featuring an iconic red exterior and a sleek black interior, represents the final evolution of the legendary Testarossa lineage. It showcases the pinnacle of 1990s Ferrari engineering and design.

## **Impressive Power and Performance**

The 1995 Ferrari F512 M (Modificata) is powered by a 4.9-litre flat-12 engine, delivering an impressive 440 horsepower and 370 lb-ft of torque. This naturally aspirated powerhouse allows the F512 M to accelerate from 0 to 60 mph in just 4.7 seconds, with a top speed of 196 mph. The 5-speed manual transmission offers precise and engaging gear changes, providing an authentic and exhilarating driving experience.

## **Timeless Italian Design**

The exterior of the F512 M is a masterpiece of Italian design. The classic red paintwork, known as Rosso Corsa, accentuates its sleek lines and aggressive stance. The redesigned front fascia features exposed fixed headlights and a more aerodynamic bumper. Meanwhile, the signature side strakes and rear grille preserve the iconic Testarossa look. The lightweight 18-inch five-spoke alloy wheels and distinctive quad taillights further enhance its timeless appeal.

## **Luxurious and Sporty Interior**

Step inside the Ferrari F512 M to discover a driver-focused cockpit that combines luxury with racing pedigree. The black leather seats provide exceptional support and comfort, creating a refined and sporty atmosphere. The interior is meticulously crafted with high-quality materials, including hand-stitched leather, brushed aluminium accents, and a classic gated shifter, reflecting Ferrari's commitment to craftsmanship and attention to detail.

## **Advanced Instrumentation and Comfort**

The advanced instrumentation includes an analog speedometer and tachometer, providing clear and precise information. The cabin also features air conditioning and a premium sound system, ensuring a comfortable and enjoyable driving experience. The spacious layout and well-positioned controls enhance the driving dynamics, making the F512 M not only a high-performance machine but also a practical supercar for longer journeys.

## **Safety and Stability**

Safety is a key consideration in the Ferrari F512 M. The vehicle is equipped with advanced safety features for its time, including ABS brakes and traction control, ensuring confidence and control in all driving situations. The robust chassis and suspension system provide excellent handling and stability, allowing you to harness the car's immense power with ease.
