2004 Ferrari 360 Modena: Vibrant Red with Luxurious Tan Interior

Striking Red Exterior

The 2004 Ferrari 360 Modena boasts a vivid red exterior, a classic colour that epitomises Ferrari's rich heritage and racing pedigree. The vibrant red paint highlights the car's sleek lines and aerodynamic curves, ensuring it stands out with a bold, dynamic presence. This iconic colour choice not only enhances the vehicle's visual appeal but also emphasises its performance-oriented design.

Elegant Tan Interior

Inside, the 360 Modena features a sophisticated tan interior that provides a striking contrast to the bold exterior. The tan leather upholstery exudes luxury and warmth, creating a refined and inviting cabin environment. Every detail, from the meticulously crafted seats to the carefully designed dashboard, reflects Ferrari's commitment to comfort and quality.

Unmatched Performance and Engineering

Under the bonnet, the 2004 Ferrari 360 Modena is powered by a high-performance V8 engine, renowned for its impressive acceleration and thrilling driving dynamics. The lightweight construction and advanced suspension system contribute to exceptional handling and agility, ensuring a captivating driving experience. This model represents the perfect blend of luxury, style, and performance.
