A Masterpiece of Power and Luxury

At Exotic Cars Dubai, we are proud to present a truly extraordinary hypercar: a brand-new [2020 Bugatti Chiron](#) now available for those who demand the pinnacle of automotive luxury and performance. With its sleek black exterior and sumptuous tan interior, this Chiron is not just a car; it is a work of art. The exterior features stunning carbon fibre trim, adding both strength and beauty to its bold and aerodynamic design. This Chiron also includes hand-painted door panels that showcase the rich history of Bugatti, a nod to the brand's legacy of craftsmanship and innovation.

Exclusive Design and Luxurious Craftsmanship

The exterior of this 2020 Bugatti Chiron, finished in deep black with intricate carbon fibre details, exudes sophistication and power. The vehicle's design is further accentuated by its iconic curves, which not only add to its aesthetic appeal but also enhance its aerodynamic performance. The sky view feature adds an open, airy feeling to the cabin, allowing occupants to marvel at the world above as they glide through the streets in unparalleled luxury. Inside, the cabin is adorned with a rich tan leather interior, contrasting beautifully with the black anodised interior trim, creating an opulent yet sporty atmosphere. The Chiron's hand-painted door panels are a bespoke touch, celebrating Bugatti's century-long history of excellence and innovation.

Unrivalled Performance

The Bugatti Chiron is synonymous with extreme performance, and this 2020 model is no exception. Beneath its sleek, carbon-fibre exterior lies an 8.0-litre quad-turbocharged W16 engine, capable of producing an astonishing 1,479 horsepower and 1,180 lb-ft of torque. This immense power allows the Chiron to sprint from 0 to 60 mph in a blistering 2.4 seconds, making it one of the fastest hypercars in the world. The top speed, electronically limited for road use, is a mind-blowing 261 mph, ensuring that the Chiron remains in a league of its own when it comes to speed and performance. Paired with a 7-speed dual-clutch transmission, the Bugatti Chiron offers precise and seamless gear changes, ensuring a smooth yet exhilarating driving experience.

Innovative Technology and Comfort

Despite its unparalleled power, the Bugatti Chiron offers a comfortable and luxurious driving experience, making it as enjoyable to drive on a daily basis as it is on the track. The vehicle is equipped with advanced suspension and handling systems, ensuring that the immense power remains

controlled and balanced, even at high speeds. Inside, the sky view adds an element of openness to the cabin, while the state-of-the-art infotainment system keeps drivers connected and entertained. The tan leather seats, meticulously crafted for comfort, are ventilated and offer multiple adjustments, ensuring that every drive is a pleasure.

An Iconic Legacy: The End of an Era

As a discontinued model, the 2020 Bugatti Chiron represents the end of an era for Bugatti. This particular vehicle is a rare opportunity to own one of the last Chirons ever produced, making it highly sought after by collectors and enthusiasts alike. With Bugatti discontinuing the production of the Chiron, this model not only embodies the pinnacle of hypercar engineering but also serves as a testament to Bugatti's relentless pursuit of excellence in design, craftsmanship, and performance.
