2021 Ferrari SF90 Stradale Assetto Fiorano – Unleash the Ultimate Hybrid Supercar

The 2021 Ferrari SF90 Stradale Assetto Fiorano, finished in a striking red and silver exterior with a red interior, represents the pinnacle of Ferrari's engineering prowess. Now available for sale in Dubai at Exotic Cars Dubai, this plug-in hybrid supercar delivers unparalleled power, precision, and exclusivity. With very low mileage and the prestigious Fiorano handling package, this SF90 Stradale is a rare find for serious collectors and enthusiasts alike.

Hybrid Power with Unmatched Performance

Underneath its sleek exterior, the SF90 Stradale houses a revolutionary plug-in hybrid powertrain that combines a 4.0-litre twin-turbocharged V8 engine with three electric motors. Together, they produce an astounding 986 horsepower, making this Ferrari one of the most powerful production cars in the world. This hybrid system allows the SF90 Stradale to achieve a 0-100 km/h time of just 2.5 seconds, delivering instant torque and breathtaking acceleration. The Assetto Fiorano package enhances its handling capabilities, incorporating race-inspired suspension and weight-saving materials for superior performance on both road and track.

Exquisite Design with Full Carbon Detailing

The SF90 Stradale Assetto Fiorano's exterior and interior feature extensive carbon fibre detailing, giving it a lightweight yet durable structure that complements its high-performance capabilities. The red and silver exterior finish captures Ferrari's iconic aesthetic while adding a unique, modern twist. Inside, the vibrant red leather interior is adorned with high-quality carbon fibre accents, blending luxury with racing-inspired design. Every detail has been meticulously crafted to create an immersive and thrilling driving environment.

Exclusive Fiorano Handling Package

Equipped with the Assetto Fiorano package, this SF90 Stradale offers track-level handling and agility. The Fiorano package includes GT racing shock absorbers, lightweight titanium springs, and additional carbon fibre components, reducing weight and enhancing stability at high speeds. This package also adds Michelin Pilot Sport Cup 2 tyres, specifically designed for increased grip and precision, providing drivers with unmatched control and confidence.
