## **2024 Ferrari 296GTB Assetto Fiorano – A Stunning Blend of Power and Elegance**

### **Striking Yellow Exterior – Unleashing Boldness**

The **2024 Ferrari 296GTB Assetto Fiorano** presents a **bold and captivating Yellow exterior**, designed to command attention on any road. With its aerodynamic design, aggressive lines, and **carbon-fiber accents**, this Ferrari is a visual masterpiece. The sleek exterior is further enhanced by **18-inch forged alloy wheels**, wrapped in high-performance tires, ensuring superior grip and handling.

### **Sleek Black Interior – Performance Meets Luxury**

Inside, the **Black interior** of the 296GTB offers a perfect contrast to the vibrant exterior, enveloping the driver in a luxurious, performance-oriented environment. Featuring **carbon-fiber trim** and **Alcantara** materials, every detail is designed to provide an optimal driving experience. The **sporty bucket seats**, **racing-inspired steering wheel**, and **minimalist dashboard** focus on the performance elements, making every moment behind the wheel a thrill.

### **Enhanced with Carbon – Performance and Precision**

The **carbon interior and exterior** elements not only reduce weight for exceptional performance but also contribute to the **racing aesthetic**. The **carbon-fiber side mirrors**, **front splitter**, and **rear diffuser** enhance the car's aerodynamics, while the interior showcases **carbon-fiber accents** on the dashboard, center console, and door panels, creating a striking yet functional cabin.

### **Powerful V6 Hybrid Engine – Ultimate Performance**

At the heart of the **Ferrari 296GTB Assetto Fiorano** is the cutting-edge **V6 hybrid engine**, producing an astonishing **830 horsepower**. With its combination of electric motor and turbocharged engine, this Ferrari achieves incredible acceleration and responsiveness. The car's **0-100 km/h** time is just **2.9 seconds**, and it reaches a **top speed of over 330 km/h**, ensuring thrilling performance on both the road and the track.
