2024 Lamborghini Revuelto – The Ultimate Hybrid V12 Supercar

Now available at **Exotic Cars Dubai**, this **2024 Lamborghini Revuelto** is the pinnacle of power, innovation, and aggressive styling. Finished in a **Matte Black exterior** with a **Black and Red interior** and **full carbon interior trim**, this hypercar blends electrified performance with Lamborghini's iconic V12 roar.

Matte Black Exterior – A Bold & Aerodynamic Statement

The **Matte Black exterior** enhances the Revuelto's **futuristic and aggressive design**, featuring sharp lines, active aerodynamics, and an unmistakable presence. Key exterior highlights include:? **Full carbon-fiber monocoque for ultimate weight reduction**? **Aerodynamic front splitter & active rear wing**? **Y-shaped LED headlights and taillights**? **Massive center-mounted exhaust for an aggressive stance**

Black & Red Interior – Motorsport-Inspired Luxury

Step inside the Revuelto's cockpit, where Lamborghini's racing heritage meets cutting-edge technology. The **Black and Red Alcantara interior** features:? **Full carbon-fiber trim with premium finishes**? **Digital driver display with customizable modes**? **New 8.4-inch center touchscreen with AI-powered infotainment**? **Lightweight sports bucket seats for enhanced comfort and support**

Performance – Electrified V12 Beast

The **Revuelto is Lamborghini's first plug-in hybrid V12**, combining a **6.5L naturally aspirated V12** with **three electric motors**, producing a mind-blowing **1,015 horsepower**. The new **8-speed dual-clutch transmission** delivers **instant gear shifts**, making it the fastest and most responsive Lamborghini ever built.

? **0-100 km/h in just 2.5 seconds**? **Top speed exceeding 350 km/h**? **All-wheel drive with electric torque vectoring**? **Dedicated EV mode for silent city driving**

Unmatched Handling & Braking

Lamborghini’s cutting-edge **LDVI 2.0 system** continuously adjusts traction and suspension settings for **unparalleled driving precision**. Other performance features include:? **Adaptive aerodynamics for maximum downforce**? **Magnetorheological suspension for race-like handling**? **Carbon-ceramic brakes with massive calipers**

Experience the 2024 Lamborghini Revuelto at Exotic Cars Dubai
