## **2024 Lamborghini Urus Performante for Sale in Dubai – The Ultimate Super SUV**

The **2024 Lamborghini Urus Performante** is the pinnacle of high-performance SUVs, blending supercar DNA with everyday practicality. Finished in a sleek grey exterior with a bold black and orange interior, this luxury powerhouse features an extensive use of carbon fibre inside and out, enhancing its aggressive styling and lightweight performance. Now available at Exotic Cars Dubai, this track-focused Urus is the perfect choice for those who demand both speed and exclusivity.

### **Grey Exterior – Aerodynamic and Aggressive**

The grey exterior of the Urus Performante is complemented by an extensive carbon-fibre package, including a carbon bonnet, front splitter, side skirts, rear diffuser, and carbon-fibre wheel arches. Designed for maximum aerodynamics, this high-performance SUV features a lightweight titanium Akrapovic exhaust, delivering an exhilarating V8 roar. The black 23-inch lightweight alloy wheels and carbon-ceramic brakes complete the sporty yet refined look of this exclusive super SUV.

### **Black and Orange Interior – Motorsport-Inspired Luxury**

Step inside, and you'll find a striking black and orange interior, perfectly blending luxury and performance. The Alcantara sports seats provide superior comfort and support, while the carbon-fibre dashboard, centre console, and door panels reinforce the Urus Performante's track-ready character. Lamborghini's latest infotainment system with Apple CarPlay, premium surround sound, and a fully digital driver display ensure a seamless and immersive driving experience.

### **4.0L Twin-Turbo V8 – Record-Breaking Performance**

Under the bonnet, the 4.0-litre twin-turbocharged V8 engine produces an astonishing 657 horsepower and 850 Nm of torque. Paired with an 8-speed automatic transmission and all-wheel drive, the Urus Performante accelerates from 0-100 km/h in just 3.3 seconds, making it one of the fastest SUVs in the world. The redesigned suspension, rear-wheel steering, and multiple driving modes, including Rally mode for off-road thrills, deliver exceptional handling and agility.
