Ferrari SF90 Spider Assetto Fiorano – Ultimate Open-Top Performance in Dubai

The **Ferrari SF90 Spider Assetto Fiorano** is the pinnacle of hybrid hypercar performance, blending electrified power with Ferrari's race-proven aerodynamics. Dressed in a **striking yellow exterior with exposed carbon fibre details**, this convertible delivers an exhilarating **open-top driving experience**. Now available for sale at **Exotic Cars Dubai**, the **SF90 Spider Assetto Fiorano** offers **cutting-edge performance, track-focused enhancements, and breathtaking Italian craftsmanship**.

Striking Yellow Exterior with Carbon Aerodynamics

The **bold yellow paintwork** perfectly contrasts with the **exposed carbon fibre elements**, giving the SF90 Spider an **unmistakable presence**. Designed with **extreme aerodynamics in mind**, the **Assetto Fiorano package** includes a **lightweight carbon-fibre rear spoiler, aggressive front splitter, and enhanced side skirts**, ensuring **maximum downforce and stability at high speeds**. The **retractable hardtop** seamlessly folds away in just **14 seconds**, allowing you to experience **pure Ferrari performance under the open sky**.

Race-Inspired Black Interior with Carbon Finishes

Step inside the **driver-focused black interior**, where **Alcantara, premium leather, and exposed carbon fibre** dominate the cockpit. The **Assetto Fiorano package** further enhances the **SF90 Spider's lightweight construction**, featuring **carbon-fibre door panels, a minimalist centre console, and sculpted racing bucket seats**. Ferrari's **digital instrument cluster and state-of-the-art infotainment system** provide **seamless control**, while the **Formula 1-inspired steering wheel** keeps the driver **fully engaged**.

Hybrid Powertrain – Electrifying Performance

At the heart of the **SF90 Spider** is a **4.0-litre twin-turbocharged V8 engine**, producing **780 horsepower**, paired with **three electric motors** that boost the total output to an astonishing **1,000 horsepower**. This **plug-in hybrid Ferrari** sprints from **0-100 km/h in just 2.5 seconds**, making it the **fastest open-top Ferrari ever built**. The **lightweight chassis, advanced eAWD system, and F1-derived aerodynamics** ensure **flawless precision on both road and track**.
