2025 Rolls-Royce Ghost Black Badge

The Dark Side of Elegance — Built for Those Who Lead, Not Follow

The **2025 Rolls-Royce Ghost Black Badge** is a commanding evolution of Rolls-Royce's purest expression of luxury. It combines the timeless sophistication of the Ghost with bolder design cues, sharpened dynamics, and enhanced performance. Finished in a deep **Black exterior** and paired with a dual-tone **Black and Ivory leather interior**, this Ghost is tailored for the tastemaker who moves in silence — yet makes an unmistakable impact.

Now available at **Exotic Cars Dubai**, this Ghost Black Badge offers a distinctive presence, bespoke detail, and the quiet confidence of unrivaled refinement.

Exterior — Black Badge Identity with a Bold Silhouette

The **high-gloss Black finish** sets the tone, enhanced by a darkened **Pantheon grille**, black chrome accents, smoked headlights, and the iconic Spirit of Ecstasy finished in blackened steel. With its sculpted lines and long, minimalist profile, the Ghost Black Badge projects power with restraint — perfect for those who speak through presence, not noise.

22-inch carbon-composite wheels and contrasting brake calipers complete the assertive, performance-focused aesthetic unique to the Black Badge series.

Interior — Black + Ivory Bespoke Elegance

Open the doors to reveal a beautifully balanced **Black and Ivory interior**, expertly hand-finished in the world's finest leathers and veneers. The cabin is serene and commanding, offering a minimalist layout infused with the brand's signature attention to detail.

The contrast of **Ivory seat inserts and stitching** against a **Black leather backdrop** creates a sense of light and depth. Polished dark wood or carbon fiber trim, deep lambswool carpets, and the stunning **Starlight Headliner** overhead make every journey feel celestial.

Performance — V12 Power, Reimagined for the Bold

At its heart lies the recalibrated **6.75-liter twin-turbocharged V12**, producing **600 horsepower** and **900 Nm of torque**. Engineered for a more engaging drive, the Black Badge Ghost features enhanced throttle mapping, tighter suspension tuning, and a more responsive steering feel — while retaining Rolls-Royce's world-renowned ride comfort.

The **Magic Carpet Ride** system glides over Dubai's roads in near silence, with all-wheel drive and all-wheel steering providing confidence and agility in every condition.

A New Icon for Dubai's Drivers of Influence

In a city defined by vision and distinction, the **2025 Ghost Black Badge** is crafted for those who chart their own path. With its **Black exterior**, elegant **Black + Ivory interior**, and unmistakable aura, this Ghost delivers an experience of personal luxury that is both powerful and poetic.
