2025 Ferrari Roma Spider

La Nuova Dolce Vita — Now in Open-Top Perfection

The **2025 Ferrari Roma Spider** is the ultimate expression of Ferrari's contemporary elegance and pure driving emotion, now available in a striking open-top form. Finished in a deep, lustrous **Black exterior**, paired with a vivid **Red leather interior** and a **Red soft-top roof**, this Roma Spider captures the spirit of Italian grand touring with dramatic flair and effortless performance.

Now available at **Exotic Cars Dubai**, this convertible masterpiece brings together timeless design, cutting-edge technology, and an unforgettable open-air driving experience — made for Dubai's coastlines and iconic skylines.

Understated Power. Bold Presence.

With its long, sculpted lines, flowing fenders, and minimalist grille, the Roma Spider reflects Ferrari's design philosophy of purity and proportion. The **Black exterior** gives it a sleek, commanding presence, amplified by the contrast of the **Red fabric roof** — a detail that signals both sophistication and performance.

When retracted, the soft top disappears in just 13.5 seconds, unveiling the striking **Red leather cabin** and immersing you in the wind and sound of Ferrari's signature performance.

Red Interior – Crafted for Emotion

Inside, the **Red leather cockpit** is both driver-focused and visually captivating. The dual-cockpit layout envelops both driver and passenger in a world of fine Italian craftsmanship. Every stitch, surface, and control is executed with precision, blending luxury with a racing soul.

Touch-sensitive controls, a digital instrument display, and an integrated central screen deliver seamless access to performance, navigation, and comfort features. The red-on-black configuration throughout enhances the sense of drama and occasion — whether at a standstill or full throttle.

Ferrari V8 Performance — Pure and Undiluted

At the heart of the Roma Spider lies a **3.9-liter twin-turbocharged V8**, producing **612 horsepower** and **760 Nm of torque**, paired to an 8-speed dual-clutch F1 transmission. It accelerates from **0 to 100 km/h in just 3.4 seconds**, delivering thrilling speed with razor-sharp precision.

An adaptive suspension system, advanced driver aids, and the iconic Ferrari Manettino dial give you total control, whether gliding through the city or carving roads outside the city.

A New Icon for Dubai's Open Roads

In Dubai, where style meets performance and every drive is an experience, the **2025 Ferrari Roma Spider** is more than just a car — it's an invitation to indulge. With its **Black exterior**, **Red soft-top roof**, and **Red interior**, this Roma Spider commands attention, whether cruising Jumeirah Beach Road or arriving at a rooftop soirée.
