2015 Lamborghini Aventador LP700-4 Pirelli Edition

Limited Edition Power. Born from Performance. Built to Thrill.

The **2015 Lamborghini Aventador Pirelli Edition** is a celebration of two iconic Italian names — Lamborghini and Pirelli — and decades of collaboration at the highest levels of performance. Based on the legendary Aventador LP700-4 platform, this limited-edition model features distinctive styling cues, bespoke finishes, and all the raw power of Lamborghini's flagship V12.

Finished in a stunning **Red exterior** over a race-inspired **Black leather interior**, this Pirelli Edition is a rare blend of art, aggression, and exclusivity — now available at **Exotic Cars Dubai**.

Signature Red Exterior with Pirelli Detailing

The **Red paintwork** is striking and assertive, perfectly matched to the Aventador's low, angular stance and dramatic proportions. Matte black accents trace the roof, pillars, and engine bay — a Pirelli Edition exclusive. Subtle red pinstripes along the roofline and side mirrors nod to the color of the Pirelli logo, while the Pirelli badge subtly marks its limited-edition status.

With its aggressive front splitter, hexagonal LED lighting, and signature scissor doors, this Aventador is designed to turn heads and dominate any road it touches.

Black Leather Interior — Race-Bred Refinement

Step inside and you'll find a cockpit designed for pure adrenaline. The **Black leather interior** is stitched with red accents and embossed with the Pirelli logo, blending motorsport heritage with luxury materials. Carbon fiber trim throughout the cabin reinforces the car's performance pedigree, while Lamborghini's digital instrument display puts you in total command.

Every control is focused on the driver, every line angled for performance, every material chosen for its tactile impact — this is a true supercar environment.

V12 Power, Unchained

At the heart of the Aventador Pirelli Edition is a naturally aspirated **6.5-liter V12**, producing **700 horsepower** and **690 Nm of torque**. Mated to Lamborghini's 7-speed ISR automated manual transmission, it launches from **0 to 100 km/h in just 2.9 seconds**, with a top speed over **350 km/h**. Equipped with **all-wheel drive**, pushrod suspension, and carbon ceramic brakes, the Aventador doesn't just deliver performance — it unleashes it.

Made for Dubai's Most Daring Drivers

From late-night city drives to track-day experiences, the **2015 Aventador Pirelli Edition** is built to excite. With its **Red exterior**, exclusive Pirelli branding, and spine-tingling V12 soundtrack, it's a Lamborghini that makes a statement before it even starts — the perfect companion for Dubai's performance-obsessed culture.
