## 2024 Ferrari Roma Spider

### Timeless Elegance. Open-Top Freedom. Pure Ferrari Emotion.

The **2024 Ferrari Roma Spider** is the ultimate expression of La Nuova Dolce Vita — a philosophy of effortless luxury, timeless design, and exhilarating performance. With its beautifully sculpted **Blue exterior**, refined **Tan leather interior**, and retractable **soft-top convertible roof**, this Roma Spider transforms every drive into an occasion.

Now available at **Exotic Cars Dubai**, this grand tourer invites you to experience open-air Ferrari motoring in one of the most beautiful forms ever produced by Maranello.

### Blue Exterior — Sculpted Sophistication

The Roma Spider's flowing proportions and minimalist surfaces are perfectly accentuated by the deep **Blue paintwork**, offering a blend of modern elegance and classical inspiration. With a long hood, sleek profile, and refined detailing, it evokes the spirit of 1950s and '60s Rome — with a powerful, contemporary edge.

When lowered, the **fabric soft top** disappears in just 13.5 seconds, revealing a stunning convertible silhouette designed to turn heads from Downtown Dubai to the coastal highways of the UAE.

### Tan Leather Interior — Italian Craftsmanship at its Finest

Inside, the Roma Spider offers a beautifully tailored **Tan leather cabin**, wrapped in supple materials and surrounded by cutting-edge technology. The dual-cockpit layout is both driver-focused and artfully styled, featuring a digital instrument cluster, haptic-touch controls, and a vertical infotainment display that blends seamlessly into the dashboard.

From the stitched leather seats to the refined switchgear, every detail is executed with the precision and flair expected of Ferrari's grand tourers.

## **V8 Performance — Effortless Power, Always Ready**

Beneath the bonnet lies a **3.9-liter twin-turbocharged V8**, delivering **612 horsepower** and **760 Nm of torque**. Mated to an 8-speed dual-clutch F1 transmission, the Roma Spider launches from **0 to 100 km/h in just 3.4 seconds**, offering pure Ferrari excitement in a more relaxed, grand touring form.

Selectable drive modes and a lightweight chassis ensure that whether you're cruising along Jumeirah Beach Road or pushing through mountain curves, the Roma Spider responds with sharp precision and grace.

## **Designed for Dubai's Open Roads**

In a city where luxury meets lifestyle, the **2024 Ferrari Roma Spider** stands out as a refined icon of performance. With its **Blue exterior, Tan interior**, and **convertible soft-top**, it's a car made for morning escapes, sunset drives, and everything in between.
