2025 Range Rover Vogue Autobiography P530 LWB

Commanding Presence. Executive Comfort. Effortless Power.

The **2025 Range Rover Vogue Autobiography P530 LWB** is the ultimate expression of contemporary luxury, merging refined British craftsmanship with innovative technology and powerful V8 performance. Finished in a sleek **Grey exterior** and appointed with a rich **Tan leather interior**, this long-wheelbase SUV is designed to deliver first-class comfort and an unmatched presence on the road.

Now available at **Exotic Cars Dubai**, this Range Rover Autobiography is equipped with premium features such as **rear entertainment screens**, **leg rest seating**, and a **full panoramic roof**, offering an unparalleled grand touring experience tailored for Dubai's elite.

Exterior — Understated Elegance in Grey

The **Grey paint finish** exudes quiet confidence and sophistication, perfectly accentuating the clean, sculpted lines and floating roof design that define the modern Range Rover. With flush deployable door handles, 23-inch alloy wheels, and Matrix LED headlights with signature DRLs, this long-wheelbase model offers both presence and grace — whether arriving at a private residence or luxury hotel.

The elongated silhouette of the **LWB (Long Wheelbase)** configuration enhances rear legroom while maintaining a commanding yet composed profile on the road.

Interior — Tan Leather and Executive Refinement

Step into the cabin to discover a world of bespoke luxury. The **Tan leather interior** is warm and inviting, wrapped in premium semi-aniline hides, complemented by natural wood veneers and satin metallic detailing. Every stitch and surface reflects Range Rover's unwavering attention to detail.

Rear passengers are treated to **Executive Class Comfort**, with **power-deployable leg rests**, massage and climate-controlled seats, and **individual rear entertainment screens** integrated into the front seatbacks. Fold-out leather-trimmed tables and ambient lighting elevate the experience further, turning every journey into a sanctuary of peace and productivity.

Overhead, the **full-length panoramic roof** fills the cabin with natural light by day and starlit ambiance by night, enhancing the sense of spaciousness.

Performance — V8 Power with LWB Comfort

Beneath the bonnet, the **4.4-liter twin-turbocharged P530 V8** delivers **523 horsepower** and **750 Nm of torque**, propelling this luxury SUV from **0 to 100 km/h in just 4.6 seconds**. Despite its size, the Autobiography maintains remarkable agility thanks to **all-wheel steering**, **adaptive air suspension**, and **Terrain Response 2**.

Whether gliding down Sheikh Zayed Road or exploring the UAE's open highways, the drive is refined, confident, and effortlessly smooth.

Crafted for Dubai's Luxury Lifestyle

In a city where status meets substance, the **Range Rover Vogue Autobiography P530 LWB** offers the ultimate in quiet luxury. Its **Grey exterior**, richly appointed **Tan interior**, and chauffeur-class rear seating make it the perfect SUV for business leaders, dignitaries, and those who demand distinction with every drive.
