2025 Mercedes-Benz G63 Brabus 800

Bold in Presence. Brutal in Power. Refined by Brabus.

The **2025 Mercedes-Benz G63 Brabus 800** is the ultimate expression of performance luxury in SUV form — a handcrafted masterpiece that transforms the already formidable G63 AMG into a bespoke icon of aggression, elegance, and unfiltered power. With its menacing **Black exterior**, contrast **Ivory interior**, and the Brabus signature of exclusivity and speed, this G-Wagon stands in a class of its own.

Now available at **Exotic Cars Dubai**, this is not just an SUV — it's a statement of dominance and design.

Exterior — Black Brabus Authority

The **Black exterior** emphasizes the G-Class's iconic boxy silhouette while adding the aggressive edge of **Brabus styling enhancements**.

Widebody carbon fiber fender flares, a carbon hood scoop, LED roof-mounted light bar, and **Brabus monoblock forged wheels** give this G63 a presence that's impossible to ignore.

The Brabus front grille, carbon accents, and performance-tuned quad exhaust system deliver a commanding street stance that reflects the 800's untamed spirit.

Interior — Ivory Luxury, Bespoke Brabus Refinement

Inside, the cabin is upholstered in exquisite **Ivory quilted leather**, hand-finished to Brabus standards. Contrast stitching, ambient lighting, and **carbon fiber or piano black trim** accentuate the fusion of sport and sophistication.

Brabus badging, embroidered headrests, and illuminated scuff plates remind you this is no ordinary G-Class. Heated, ventilated, and massaging seats, plus a panoramic sunroof and **Burmester® Surround Sound**, elevate the interior to first-class comfort.

Performance — Brabus 800 Power

Under the hood, Brabus has re-engineered the AMG 4.0L V8 biturbo to unleash **800 horsepower** and **1,000 Nm of torque**, rocketing this luxury beast from **0 to 100 km/h in just 3.8 seconds**. The high-performance exhaust system with active sound control gives you everything from a refined growl to a roaring thunder at the push of a button.

Custom Brabus ECU tuning, enhanced suspension, and upgraded intercooling ensure this G63 handles as confidently as it looks — whether navigating Dubai's urban jungle or making a statement on open highways.

Made for Dubai's Most Ambitious

From the executive towers of DIFC to the desert outskirts of Al Qudra, the **2025 Brabus 800** is designed for Dubai's most unapologetic tastemakers — those who expect more from every drive, every detail, every moment.
