2025 Rolls-Royce Cullinan Black Badge Series II

Pure Power. Tailored Luxury. A Statement in White and Tiffany Blue.

The **2025 Rolls-Royce Cullinan Black Badge Series II** is the boldest evolution of the world's most prestigious SUV — redesigned with sharper detailing, enhanced dynamics, and more personalization than ever before. Finished in a radiant **White exterior** and paired with an ultra-exclusive **Tiffany Blue interior**, this Cullinan is a contemporary icon for those who live unapologetically in the spotlight.

Now available at **Exotic Cars Dubai**, this bespoke Black Badge Series II delivers refined aggression, handcrafted luxury, and head-turning exclusivity in one commanding package.

Exterior — White Majesty with Black Badge Edge

The **high-gloss White exterior** evokes clarity, elegance, and sophistication — beautifully contrasted by **Black Badge-exclusive details** including the **darkened grille**, **black chrome trims**, and gloss black 22-inch forged alloy wheels. The iconic **Spirit of Ecstasy** stands proud in blackened steel, leading this rolling masterpiece with subtle authority.

It's a color palette made to shine under Dubai's sun — clean, powerful, and unmistakably elevated.

Interior — Tiffany Blue Brilliance, Carbon Fiber Detail

Step inside and experience true bespoke craftsmanship. The cabin is wrapped in bespoke **Tiffany Blue leather**, offering an energetic yet luxurious ambiance. From the **diamond-quilted seats** to the bold contrast stitching and polished metal accents, every inch of this cabin is handcrafted perfection.

High-gloss **carbon fiber interior trim** replaces traditional wood, giving a sporty edge to the refined space. Rear passengers enjoy the full **rear-seat entertainment system**, while overhead, the **Starlight Headliner** transforms the ceiling into a personal night sky, with hundreds of fiber-optic stars illuminating the silence.

Performance — V12 Authority, Black Badge Dynamics

Beneath the sculpted bonnet is Rolls-Royce's flagship **6.75-liter twin-turbocharged V12**, specially tuned for Black Badge models to produce **600 horsepower** and **900 Nm of torque**. Paired with all-wheel drive and all-wheel steering, the Cullinan delivers effortless acceleration and control —

gliding from **0–100 km/h in under 5 seconds**, silently and confidently.

The **Magic Carpet Ride** suspension, performance-tuned gearbox, and upgraded throttle mapping make this SUV more responsive while preserving that signature Rolls-Royce serenity.

Designed for Dubai's Visionaries

In a city that celebrates bold design and uncompromised lifestyle, the **2025 Cullinan Black Badge Series II in White with Tiffany Blue** is the ultimate status symbol. Whether pulling up to a private event or cruising through the skyline at night, this Cullinan is a mobile statement of creativity, success, and flawless taste.
