2005 Ferrari 612 Scaglietti

V12 Sophistication. Iconic Design. The Grand Tourer, Reimagined.

The **2005 Ferrari 612 Scaglietti** represents a unique moment in Ferrari's grand touring history — where power, luxury, and long-distance comfort came together in one beautifully sculpted machine. Designed by Pininfarina and named after Sergio Scaglietti, the famed coachbuilder behind some of Ferrari's most legendary bodies, the 612 delivers V12 performance with true 2+2 practicality.

Finished in an imposing **Black exterior** with a dramatic **Red leather interior**, this example is a celebration of old-school Ferrari charm — now available at **Exotic Cars Dubai**.

Exterior — Black Elegance with Timeless Presence

The **Black finish** gives the 612 a subtle yet commanding road presence, emphasizing its long bonnet, sweeping roofline, and sculpted side panels. The car's proportions reflect its front-mid engine layout, while subtle design cues — such as the flared rear haunches and rounded quad tail lamps — pay tribute to Ferrari's GT heritage.

With its understated silhouette and subtle chrome accents, the 612 is a Ferrari for the connoisseur — more refined than rebellious, yet no less iconic.

Interior — Red Leather Grandeur

Open the doors to a cabin of tailored Italian luxury. The **Red leather interior** is vibrant, immersive, and unmistakably Ferrari. High-grade hides wrap the seats, dash, and door panels, while aluminum accents and a classic analog gauge cluster remind you of the car's analog soul.

This is a true **2+2 GT**, offering rear seats usable for short trips or extra luggage — ideal for weekend getaways or stylish city drives. Climate control, a premium audio system, and electric seat adjustments ensure comfort matches performance.

V12 Performance — Naturally Aspirated Brilliance

Under the long bonnet lies a **5.7-liter naturally aspirated V12**, derived from the Enzo and delivering **533 horsepower** and **588 Nm of torque**.

Paired with either a **6-speed F1-style automated manual** or traditional **6-speed manual** (based on spec), the 612 surges from **0–100 km/h in 4.2 seconds**, with a top speed of **over 320 km/h**.

Balanced handling, rear-wheel drive, and a near-perfect weight distribution make this grand tourer feel far more agile than its dimensions suggest.

A Ferrari for the True Enthusiast

The **612 Scaglietti** is increasingly sought after by collectors for its naturally aspirated V12, elegant styling, and analog driving feel — characteristics that are becoming rare in modern performance cars. With its **Black on Red specification**, this example is a bold and tasteful homage to Ferrari's GT legacy.

Now Available at Exotic Cars Dubai

Own a piece of Ferrari's V12 grand touring heritage — the **2005 Ferrari 612 Scaglietti**, finished in **Black with a Red leather interior**, now available for viewing at our showroom.
