2021 Ferrari F8 Tributo

Sculpted Power. Twin-Turbo Precision. A Tribute to Ferrari's Finest V8.

The **2021 Ferrari F8 Tributo** celebrates the peak of Maranello's V8 legacy — a modern mid-engine masterpiece that honors decades of track-bred performance and road-going elegance. Finished in an immaculate **White exterior** with a contrast-rich **Black and Ivory interior**, this F8 Tributo is the perfect expression of Italian supercar artistry and engineering brilliance.

Now available at **Exotic Cars Dubai**, this is where speed meets sophistication.

Exterior — White, Aerodynamic, and Aggressively Elegant

The **White exterior** showcases the F8's dramatic lines and sculpted aerodynamics. From the low-slung nose with S-Duct airflow to the louvered rear engine cover and active rear diffuser, every detail is designed for beauty and purpose.

Black aerodynamic accents, carbon fiber side splitters (optional), and 20-inch forged wheels complete a silhouette that looks fast — even when parked.

Interior — Black + Ivory, Racing Comfort with Class

Inside, the cabin is finished in **Black leather and Alcantara**, highlighted by elegant **Ivory inserts** and contrast stitching that adds depth and luxury. The driver-focused layout includes a flat-bottom carbon fiber steering wheel with LED shift lights, race-style paddle shifters, and classic analog Ferrari dials.

Carbon fiber trim, F8 badging, and optional Daytona-style sport seats complete a cockpit that blends minimalism with bespoke refinement — ideal for both spirited drives and refined arrivals.

Performance — Twin-Turbocharged V8 Perfection

At the heart of the F8 Tributo is a **3.9-liter twin-turbocharged V8**, producing **710 horsepower** and **770 Nm of torque**. Mated to a 7-speed dual-clutch transmission, it rockets from **0–100 km/h in just 2.9 seconds**, with a top speed of **340 km/h**.

With **Side Slip Control 6.1**, **E-Diff3**, **F1-Trac**, and **Ferrari Dynamic Enhancer**, the F8 offers precision cornering, explosive acceleration, and unmatched feedback — whether carving Jebel Jais or sprinting down Sheikh Zayed Road.

Built for Dubai's Fastest Aesthetes

The **F8 Tributo** in **White with Black + Ivory interior** is made for those who appreciate design and dominance in equal measure. It's not just a supercar — it's a statement of intent, precision, and prestige.
