2024 Porsche 911 Carrera S

Timeless Performance. Rare Style. The Essence of the Modern 911.

The **2024 Porsche 911 Carrera S** continues the legacy of the world's most iconic sports car — blending everyday usability with race-bred capability. Finished in a standout **Purple exterior** and paired with a clean **Black leather interior**, this 911 offers both head-turning individuality and unmistakable Porsche DNA.

Now available at **Exotic Cars Dubai**, this is the ideal sports coupe for those who crave exclusivity and engineering excellence in perfect harmony.

Exterior — Purple Precision with 911 Identity

The **Purple finish** sets this 911 apart — bold, bespoke, and deeply elegant. The signature 911 silhouette remains timeless with:

1. Sculpted body lines and wide rear haunches
2. Retractable rear spoiler and seamless light strip
3. 20"/21" staggered wheels for enhanced grip and stance
4. LED Matrix headlights and aggressive SportDesign elements

Whether parked at a five-star address or carving through Jebel Jais, this Carrera S commands attention while maintaining Porsche's heritage elegance.

Interior — Black Leather, Driver-Focused Luxury

Inside, the **Black leather interior** is sleek and purposeful. Designed with the driver in mind, it includes:

1. Sport Chrono Package with mode selector on the steering wheel
2. 10.9-inch touchscreen with Porsche Communication Management (PCM)
3. Heated and ventilated sport seats
4. Optional carbon fiber or aluminum trim accents

5. Digital + analog gauge cluster for a modern classic interface

The layout is clean, intuitive, and unmistakably Porsche — ready for both daily use and spirited weekend drives.

Performance — Rear-Engine Thrill, Pure Control

Power comes from a **3.0-liter twin-turbocharged flat-six engine**, producing **443 horsepower** and **530 Nm of torque**, paired with an **8-speed PDK dual-clutch transmission** or optional 7-speed manual.

Performance highlights:

1. **0–100 km/h in just 3.5 seconds**
2. Rear-wheel drive with active suspension management (PASM)
3. Optional rear-axle steering and sport exhaust system
4. Porsche Active Aerodynamics (PAA) for enhanced grip at speed

It's the perfect balance of tradition and innovation — a sports car that's just as comfortable on city streets as it is on a racetrack.

Built for Dubai's Style-Conscious Drivers

With its **rare Purple exterior**, classic **Black interior**, and precision German engineering, the **2024 911 Carrera S** is a personal statement — built for those who want to stand out while experiencing one of the most rewarding drives in the world.
