2017 Range Rover Evoque HSE Convertible

Urban Chic. Off-Road Soul. The World's First Luxury Convertible SUV.

The **2017 Range Rover Evoque HSE Convertible** merges the bold design and capability of a Range Rover with the thrill of open-top driving. With its elegant **White exterior**, stylish **Tan and Black interior**, and fully retractable soft roof, this convertible SUV turns every Dubai drive into a statement of individuality.

Now available at **Exotic Cars Dubai**, this is not just an SUV — it's a luxury lifestyle choice.

Exterior — Distinctive Design in White

The **White exterior** complements the Evoque's sculpted lines and athletic stance. With a power-folding roof, it's ready to go from urban explorer to open-air cruiser in just seconds.

Exterior features include:

1. Fully automatic **soft-top roof**, opens in 18 seconds
2. Signature LED lighting and gloss black grille
3. 20-inch alloy wheels and dual exhaust finishers
4. High beltline and coupe-like profile
5. Rain-sensing wipers and keyless entry
6. Convertible roll-over protection system (deployable roll bars)

It's a true head-turner — even with the roof up.

Interior — Dual-Tone Sophistication

The **Tan and Black interior** adds warmth and contrast, offering a refined and comfortable driving environment designed for both city life and weekend escapes.

Interior features include:

1. Premium Windsor leather upholstery in Tan with Black dash accents
2. 12-way power front seats with memory and heating
3. Meridian premium sound system
4. Dual-zone climate control and configurable ambient lighting
5. Touch Pro infotainment with navigation and smartphone connectivity
6. Rear-passenger seating and boot space designed for everyday use

It's a convertible that doesn't compromise on comfort or luxury.

Performance — Smooth Power, Agile Response

Compact, agile, and confident on all terrain, the Evoque Convertible handles Dubai's city streets and desert roads with grace and grip.

1. **2.0L turbocharged 4-cylinder engine**
2. **240 horsepower, 340 Nm of torque**
3. **0–100 km/h in 8.6 seconds**
4. 9-speed automatic transmission with paddle shifters
5. All-wheel drive with Terrain Response system
6. Hill descent control and off-road capability

It's as capable in the wild as it is in the valet line.

Built for Dubai's Open-Air Lifestyle

Whether you're cruising down Jumeirah Beach Road or exploring Al Qudra Lakes, the **2017 Evoque Convertible** offers a driving experience like no other SUV in its class.

Now Available at Exotic Cars Dubai
