2020 Lamborghini Huracán EVO Spyder

Unfiltered Speed. Convertible Drama. The Purest Expression of Lamborghini.

The **2020 Lamborghini Huracán EVO Spyder** delivers an open-top experience that fuses Italian design, raw power, and cutting-edge aerodynamics. Finished in a bold **Yellow exterior** with a striking **Yellow and Black interior**, this Spyder is engineered to awaken all senses. The **Black soft roof** drops at a moment's notice, revealing the V10 symphony that defines the EVO.

Now available at **Exotic Cars Dubai**, this is the supercar built for those who want to be seen — and heard.

Exterior — Explosive Design in Yellow

Wrapped in Lamborghini's signature **Giallo Belenus Yellow**, this EVO Spyder makes no compromises in appearance or aggression.

Exterior features include:

1. Electrohydraulic **Black soft top** that folds in 17 seconds up to 50 km/h
2. Y-shaped LED headlights and hexagonal exhaust tips
3. Rear aerodynamic diffuser and active rear spoiler
4. 20-inch Narvi forged wheels with black calipers
5. Optimized aero bodywork inspired by Lamborghini Y-DNA
6. Front splitter with integrated aero channels for improved downforce

A car that commands attention with every curve and color.

Interior — Bold Italian Performance Inside

The cabin of the EVO Spyder is both race-inspired and luxuriously crafted, featuring a dual-tone **Yellow and Black leather** finish with Lamborghini's signature hexagonal motifs.

Interior highlights:

1. Alcantara and leather-trimmed performance seats
2. Lamborghini Infotainment System (LIS) with 8.4-inch touchscreen
3. Voice-activated navigation and smartphone integration
4. Digital TFT driver display with real-time telemetry
5. Hex-pattern stitching and contrast piping
6. Optional carbon fiber and forged composite trim

Every detail is engineered for the thrill of open-air performance.

Performance — Naturally Aspirated Perfection

At its core is the heart of Sant'Agata — a naturally aspirated V10 that delivers pure, unfiltered power to all four wheels.

1. **5.2L V10 engine**, naturally aspirated
2. **640 horsepower, 600 Nm of torque**
3. **0–100 km/h in just 3.1 seconds**
4. 7-speed dual-clutch LDF transmission
5. Lamborghini Dinamica Veicolo Integrata (LDVI) with predictive control
6. All-wheel drive with torque vectoring and rear-wheel steering

Top-down or not — the Huracán EVO Spyder is always at full intensity.

Built for Dubai's Supercar Scene

Whether revving along JBR or roaring through the Al Qudra desert roads, the **2020 Huracán EVO Spyder in Yellow** ensures every moment is a spectacle.
