2020 Ferrari GTC4Lusso V12

Four Seats. Twelve Cylinders. One Ferocious Soul.

The **2020 Ferrari GTC4Lusso V12** is Ferrari's ultimate GT — a masterpiece that combines long-distance comfort with the thrilling performance of a naturally aspirated V12. Finished in **White** over a race-inspired **Red and Black leather interior**, this shooting brake-style Ferrari offers exotic flair with practicality, making it perfect for Dubai's highways and coastlines.

Now available at **Exotic Cars Dubai**, this GTC4Lusso is a rare opportunity to own Ferrari's last naturally aspirated V12 four-seater.

Exterior — Sculpted and Commanding in White

The **White exterior** gives this Ferrari a fresh, modern profile while emphasizing the dramatic fastback silhouette, sculpted air intakes, and signature styling from front to rear.

Exterior highlights include:

1. Long, sloping hood with vented arches
2. LED adaptive headlights and rear quad-ring taillights
3. 20-inch Ferrari alloy wheels with carbon-ceramic brakes
4. Chrome exhaust tips (quad setup)
5. Aerodynamic rear diffuser
6. Panoramic roof (optional specification)

From every angle, it's unmistakably Ferrari — with a twist of elegance.

Interior — Red and Black Gran Turismo Cockpit

The **dual-tone Red and Black leather interior** sets the tone for an immersive drive, blending traditional Ferrari performance materials with premium grand touring comfort.

Interior highlights include:

1. Dual-zone Red and Nero leather sport seats with heating and memory
2. Passenger display screen with performance readouts
3. Leather and Alcantara dashboard with carbon fiber trim
4. 10.25-inch touchscreen infotainment with Apple CarPlay
5. Ferrari flat-bottom steering wheel with Manettino dial
6. Rear bucket-style seats for two additional passengers

It's a Ferrari cabin made for adrenaline — and long journeys.

Performance — V12 Without Filters

The soul of this car is its **6.3-liter naturally aspirated V12**, delivering instant throttle response, intoxicating sound, and relentless power.

1. **690 horsepower, 697 Nm of torque**
2. **0–100 km/h in just 3.4 seconds**
3. Top speed: 335 km/h
4. 7-speed dual-clutch F1 transmission
5. Ferrari's patented 4RM EVO all-wheel-drive system
6. Rear-wheel steering and adaptive suspension for handling and comfort

No turbos. No gimmicks. Just pure Ferrari power and control.

Everyday Ferrari. Extraordinary Everywhere.

Whether heading to Abu Dhabi, Downtown Dubai, or a private desert escape, the **2020 GTC4Lusso V12** in White with Red + Black interior blends four-seat usability with jaw-dropping performance.
