1994 Ferrari Testarossa 512 TR, The Ultimate Driving Machine

Unrivaled Legacy and Performance

Welcome to Exotic Cars Dubai, your top destination for the world’s most exclusive supercars and luxury vehicles. We are proud to present this iconic 1994 Ferrari Testarossa 512 TR, a collector’s dream and a lasting symbol of Italian performance design. Finished in classic Rosso Corsa Red with a refined Black leather interior, this 512 TR is a rare masterpiece of 90s Ferrari engineering and style.

Incredible Power and Speed

The 512 TR features a legendary 4.9-liter flat-12 engine that produces 428 horsepower and 491 Nm of torque. With a gated 5-speed manual transmission, it can accelerate from 0 to 100 km/h in 4.8 seconds and reach a top speed of over 310 km/h. Thanks to its rear-wheel drive, mid-engine layout, and a raw analog feel, this Ferrari offers an exhilarating driving experience that defines a true classic.

Exquisite Exterior Design

Dressed in unmistakable Ferrari Red, the Testarossa has a wide stance, side strakes, and pop-up headlights that reflect one of the most iconic shapes in automotive history. The 512 TR updates the original Testarossa with a more aerodynamic front, revised grille, reworked rear deck, and 17-inch five-spoke wheels. Every angle pays tribute to a golden era of performance.

Luxurious and Period-Correct Interior

Inside, the Black leather cabin features classic Ferrari elements, including a three-spoke steering wheel, chrome shift gate, and low-slung bucket seats. The 512 TR improves the ergonomics of the original Testarossa with better fit and finish, making it more comfortable for high-speed touring. It creates a retro driving environment focused on the purist, filled with craftsmanship and simplicity.

Explore Our Collection at Exotic Cars Dubai

At Exotic Cars Dubai, we specialize in finding and showcasing the most sought-after supercars and luxury vehicles in the world. Our carefully curated collection includes rare hypercars, limited-production icons, and collector-grade masterpieces, each thoroughly inspected to meet the highest standards.
