2020 Rolls-Royce Cullinan, The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We proudly present the exquisite 2020 Rolls-Royce Cullinan, a true icon of ultra-luxury SUV design. This model has a stunning Green and Silver two-tone exterior and features a bold Orange interior, enhanced by the signature Starlight Headliner. This celestial touch redefines nighttime luxury.

Incredible Power and Speed

The Cullinan delivers the smooth power and quiet refinement Rolls-Royce is known for. It has a 6.75-liter twin-turbocharged V12 engine that produces 563 horsepower and 850 Nm of torque, going from 0 to 100 km/h in just 5.2 seconds. With all-wheel drive, Magic Carpet Ride air suspension, and a satellite-aided transmission, the Cullinan offers unmatched control and serene driving on any surface.

Exquisite Exterior Design

The rare Green and Silver two-tone paint scheme gives it presence and individuality on the road. The iconic Pantheon grille, illuminated Spirit of Ecstasy, 22-inch alloy wheels, and rear-hinged coach doors highlight the SUV's unique style. Additional features include adaptive LED headlights, chrome trim accents, and a powered tailgate, all tied together by a timeless silhouette that captures attention quietly.

Luxurious and Sophisticated Interior

Inside, the cabin is striking and beautiful, wrapped in hand-stitched Orange leather with careful craftsmanship throughout. Rear passengers enjoy generous space, heated and ventilated seating, and the breathtaking Starlight Headliner above. Polished open-pore wood veneer, lambswool carpets, and ambient lighting provide a sensory experience like no other. With its impressive view and high-quality materials, this is the SUV interior redefined.
