## **1988 Ferrari Testarossa, The Ultimate Driving Machine**

### **Unrivaled Luxury and Performance**

Welcome to Exotic Cars Dubai, your top destination for the world's most exclusive supercars and luxury vehicles. We proudly present the legendary 1988 Ferrari Testarossa, an icon of 1980s automotive design and raw Italian performance. Finished in a stunning Yellow exterior with a refined Black interior, this collector-grade classic is a rare find for enthusiasts and Ferrari purists alike.

### **Incredible Power and Speed**

The Testarossa has a mid-mounted 4.9-liter flat-12 engine. It produces 390 horsepower and 490 Nm of torque. The car accelerates from 0 to 100 km/h in just 5.2 seconds, with a top speed of 180 mph (290 km/h). The gated 5-speed manual transmission offers a pure analog driving experience, capturing the golden age of Ferrari performance.

### **Exquisite Exterior Design**

The Yellow paint on this 1988 model emphasizes its dramatic wedge shape, signature side strakes, and low, wide stance. Its pop-up headlights, sharply flared fenders, and monolithic tail section with twin round taillights make this one of the most recognizable Ferrari silhouettes ever created. It is a true design icon of its time.

### **Luxurious and Sophisticated Interior**

Inside, the cabin features classic Black leather. It has period-correct switchgear, a three-spoke Ferrari steering wheel, and an analog instrument cluster. The bucket seats are firm and supportive. The minimalist design focuses purely on the driving experience. It's a cockpit made for those who appreciate mechanical purity and classic form.
