2023 Lamborghini Huracán Sterrato, The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top destination for the world's most exclusive supercars and luxury vehicles. We are excited to present the 2023 Lamborghini Huracán Sterrato, a groundbreaking supercar designed for off-road adventures without sacrificing Lamborghini's renowned performance. This lightly used model comes with a sleek Black exterior and a rugged yet luxurious Green and Black interior, perfect for the boldest thrill-seekers.

Incredible Power and Speed

The Huracán Sterrato features a naturally aspirated 5.2-liter V10 engine, generating 602 horsepower and 565 Nm of torque. It can go from 0 to 100 km/h in just 3.4 seconds, with a top speed of 260 km/h. It is specifically tuned for gravel, dirt, and rugged terrain. With all-wheel drive, increased ground clearance, and a revised LDVI system, this is Lamborghini's most adventurous model to date.

Exquisite Exterior Design

This Black Huracán Sterrato stands out with its unique rally-inspired styling. Exterior highlights include widened fenders, a roof-mounted air intake, rugged underbody protection, dual-tone bumpers, and all-terrain tires on 19-inch matte black wheels. Its muscular stance, raised ride height, and off-road-focused design make it an icon of performance with the ability to go anywhere.

Luxurious and Sophisticated Interior

Inside, the Green and Black cabin combines Italian craftsmanship with a sporty, rally-ready feel. Alcantara and leather sport seats with green accents provide both comfort and grip. The interior features Sterrato-exclusive graphics on the digital cluster, customizable driving modes, and Lamborghini's touchscreen interface. Carbon fiber accents and contrasting stitching highlight its high-performance credentials.
