2025 Ferrari SF90XX Stradale, The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top place for the world's most exclusive supercars and luxury vehicles. We are excited to present this outstanding 2025 Ferrari SF90XX Stradale (1 of 799), a true work of automotive engineering and design. This limited-edition car features a striking Red exterior and a performance-focused Grey interior, highlighted by extensive carbon fiber elements inside and out.

Incredible Power and Speed

The SF90XX Stradale is designed for those who crave pure adrenaline. Under the hood, it has a 4.0-liter twin-turbocharged V8 hybrid engine that works with three electric motors, delivering an impressive 1,030 horsepower and 804 lb-ft of torque. It accelerates from 0 to 60 mph in just 2.3 seconds, with a top speed of over 211 mph. This track-focused marvel is fine-tuned for maximum aerodynamic efficiency, speed, and sharp response.

Exquisite Exterior Design

With its aerodynamic shape and race-inspired features, the 2025 Ferrari SF90XX Stradale is a visual masterpiece. The Red exterior has exposed carbon fiber panels, an aggressive rear wing, and sculpted aerodynamic elements from Ferrari's GT racing program. The car includes forged wheels, prominent side vents, and the exclusive rear diffuser from the XX series, providing both downforce and unique style.

Luxurious and Sophisticated Interior

Inside, the cabin is a minimalist cockpit designed for control and speed. The Grey Alcantara-trimmed seats and dashboard are enhanced by carbon fiber accents and track-spec controls. Lightweight bucket seats, racing harnesses, and a digital performance telemetry interface highlight the SF90XX's identity as a street-legal race car.

Explore Our Collection at Exotic Cars Dubai

At Exotic Cars Dubai, we focus on sourcing and showcasing the most sought-after supercars and luxury cars globally. Our carefully selected collection includes rare hypercars, limited-production icons, and collector-grade masterpieces, each thoroughly inspected to meet the highest standards.
