Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for exclusive supercars and luxury vehicles. We proudly present the 2021 Ferrari F8 Tributo, a mid-engine marvel that combines Italian design, engineering skill, and thrilling performance. With a sophisticated Grey exterior and a striking Red interior, this F8 Tributo offers a driving experience that is both emotional and precise.

Incredible Power and Speed

The Ferrari F8 Tributo boasts a 3.9-liter twin-turbocharged V8 engine producing an impressive 710 horsepower and 770 Nm of torque. It features a 7-speed dual-clutch F1 transmission, allowing it to sprint from 0 to 100 km/h in just 2.9 seconds and achieve a top speed of 340 km/h. Smart aerodynamics, including the S-Duct and active rear spoiler, ensure maximum downforce and stability at high speeds, while Ferrari's Side Slip Control (SSC) technology keeps handling sharp and predictable.

Exquisite Exterior Design

Dressed in sleek Grey, the F8 Tributo's design honors Ferrari's rich history and modern aerodynamic advancements. Sculpted lines flow from front to rear. It includes signature LED headlights, an aggressive front splitter, and lightweight forged alloy wheels. The Lexan rear engine cover provides a clear view of the award-winning V8 and improves airflow and performance.

Luxurious and Sport-Inspired Interior

Inside, the Red leather interior fuses motorsport functionality with Ferrari's renowned craftsmanship. The driver-focused cockpit includes a multifunction steering wheel with integrated controls, carbon fiber trim, and digital performance displays. The racing-inspired seats offer exceptional support during spirited driving. High-quality materials and detailed hand-finishing ensure unmatched comfort.
