2025 Rolls Royce Cullinan Black Badge, The Dark Side of Luxury

Unrivalled Luxury and Performance

Exotic Cars Dubai proudly presents the 2025 Rolls Royce Cullinan Black Badge. This model offers a bolder, more assertive take on the world's most luxurious SUV. It features a pristine white exterior and a sleek black interior. This Black Badge edition adds to the Cullinan's elegance with improved performance, carbon fiber details, and a commanding presence on the road.

Incredible Power and Speed

At the heart of this vehicle is the legendary 6.75-liter twin-turbocharged V12 engine, which generates 600 horsepower and 900 Nm of torque. The upgraded Black Badge engineering sharpens throttle response, adjusts braking performance, and improves steering feel. This luxury powerhouse can go from 0 to 100 km/h in just 4.9 seconds, an impressive accomplishment for an SUV of this caliber.

Exquisite Exterior Design

The white finish stands out against the Black Badge's signature dark accents. Notable design features include:

- Gloss black Pantheon grille and Spirit of Ecstasy emblem
- 22-inch Black Badge alloy wheels with contrast pinstripe
- Dark chrome trim and subtle "Black Badge" badging
- Smoked laser headlights with signature LED daytime running lights
- Soft-close coach doors and a panoramic glass roof

Luxurious and Sophisticated Interior

Inside, the black leather cabin is complemented by carbon fiber trim, combining sporty elegance with Rolls Royce quality. Key features include:

- Hand-stitched black leather upholstery with custom detailing
- Carbon fiber dashboard, console, and door inserts
- Heated, ventilated, and massaging rear executive seats
- Rear entertainment screens with theater-level audio
- Lambswool floor mats and precisely crafted switchgear
