2025 Lamborghini Revuelto, The Next Generation of V12 Hybrid Power

Unrivaled Luxury and Performance

Exotic Cars Dubai proudly presents the 2025 Lamborghini Revuelto, the boldest evolution of Lamborghini's iconic V12 supercar lineage. Finished in an electrifying Purple exterior with a custom Purple and Black interior, this Revuelto combines the power of a naturally aspirated V12 with hybrid technology. It delivers outstanding performance while staying true to Lamborghini's unmistakable DNA.

Incredible Power and Speed

The Revuelto features a 6.5-liter naturally aspirated V12 engine paired with three electric motors, producing an incredible 1,001 horsepower. This advanced hybrid system launches the car from 0 to 100 km/h in just 2.5 seconds, with a top speed exceeding 350 km/h. An 8-speed dual-clutch gearbox ensures quick shifts. The all-wheel-drive system provides excellent grip and agility in all driving conditions.

Exquisite Exterior Design

Finished in a striking Purple, the Revuelto's design merges aerodynamic efficiency with bold lines. Key features include:

- Sharp Y-shaped LED headlights and taillights
- Active aerodynamic elements for improved downforce
- Center-exit exhaust integrated into the rear fascia
- Lightweight forged alloy wheels with carbon-ceramic brakes
- Distinctive scissor doors that showcase Lamborghini's supercar heritage

Luxurious and Sophisticated Interior

The Purple and Black cabin is designed for drivers, blending high-performance materials with skilled craftsmanship. Interior highlights include:

- Carbon fiber trim on the dashboard, door panels, and center console
- Alcantara and leather upholstery in custom Purple and Black
- Fully digital driver display with customizable layouts
- Portrait-oriented infotainment touchscreen with Lamborghini Connect services
- Multi-function steering wheel with built-in drive mode selectors
