Incredible Power and Speed

The Phantom EWB has a 6.75-liter naturally aspirated V12 engine that produces 453 horsepower and 720 Nm of torque. It goes from 0 to 100 km/h in just 6.1 seconds, with a top speed of 240 km/h. Despite its size, the Phantom offers smooth acceleration and Rolls Royce's signature Magic Carpet Ride, ensuring maximum comfort for both the driver and passengers.

Exquisite Exterior Design

The White and Silver dual-tone finish enhances the Phantom's impressive presence, highlighted by the iconic Pantheon grille and Spirit of Ecstasy. Its extended wheelbase gives it a strong stance, while polished chrome details, 21-inch alloy wheels, and signature LED headlights showcase timeless Rolls Royce design. The coach doors with umbrella compartments further add to its elegance and practicality.

Luxurious and Sophisticated Interior

Inside, the Beige leather cabin becomes a haven of privacy and luxury. The Privacy Suite includes electrochromatic glass, a partition wall, and an intercom system, allowing rear passengers to travel in complete seclusion. The rear lounge seating offers massaging, heating, and cooling functions, a starlight headliner, and custom wood veneers to enhance the atmosphere.
