Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We are excited to present this outstanding 2023 Mercedes-Benz G63 Mansory P900 Plus Performance. This modified version of the iconic G-Wagon has a stealthy Matt Black exterior and a custom Ivory interior, offering an impressive mix of aggression, luxury, and presence.

Incredible Power and Speed

The Mansory P900 Plus takes the G63 AMG's already powerful performance to the next level. Under the hood, there is a 4.0-liter twin-turbocharged V8 that generates an amazing 900 horsepower and over 1,200 Nm of torque. It goes from 0 to 100 km/h in just 3.5 seconds, an achievement unmatched in its class. With Mansory's redesigned exhaust and 9-speed automatic transmission, this SUV delivers excitement while keeping Mercedes' renowned refinement.

Exquisite Exterior Design

The Matt Black exterior becomes even more eye-catching with Mansory's custom body kit. Key features include a carbon fibre front bumper, hood, and wheel arches, a redesigned rear diffuser, roof-mounted LED lights, and 23-inch forged Mansory alloy wheels. The wider stance, aerodynamic improvements, and bold details ensure this G63 rules the road with unmatched authority.

Luxurious and Sophisticated Interior

Inside, the cabin boasts a custom Ivory leather interior, hand-stitched with care. Key features include diamond-quilted seating with heating, cooling, and massage functions, carbon fibre interior trim, Mansory-branded details, and rear entertainment screens. Modern technology like the MBUX infotainment system, ambient lighting, and Burmester surround sound further enrich the experience.
