2025 Lamborghini Revuelto, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top destination for the world's most exclusive supercars and luxury vehicles. We proudly present this exceptional 2025 Lamborghini Revuelto, the first V12 hybrid hypercar from Lamborghini. It features a stunning Oro Elios exterior with a striking Purple and Black interior. This Revuelto pairs futuristic performance with dramatic Italian design.

Incredible Power and Speed

The Revuelto uses a 6.5-liter naturally aspirated V12 engine along with three electric motors, generating an impressive 1,001 horsepower. It goes from 0 to 100 km/h in just 2.5 seconds and reaches a top speed above 350 km/h. The hybrid system, combined with Lamborghini's all-wheel-drive technology and an 8-speed dual-clutch transmission, provides unmatched acceleration, precise handling, and improved efficiency.

Exquisite Exterior Design

The Oro Elios paint finish highlights the Revuelto's bold lines and aerodynamic shape. Carbon fiber elements, aggressive front air intakes, Y-shaped LED headlights, and an active rear wing showcase its futuristic look. With sharp edges and Lamborghini's signature style, this hypercar is both a technical feat and a visual treat.

Luxurious and Sophisticated Interior

Inside, the Purple and Black leather interior creates a dramatic and custom feel. Carbon fiber trim, bucket sport seats, and Alcantara finishes emphasize its racing heritage. The fully digital cockpit includes a customizable driver display, a central infotainment system, and advanced connectivity. Every detail is designed to enhance performance focus while maintaining Lamborghini's handcrafted luxury.
