Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top choice for the world’s most exclusive supercars and luxury vehicles. We are excited to present this remarkable 2023 Ferrari 456 M GTA. It's a modern take on Ferrari’s grand touring tradition. With its elegant Blue exterior and sophisticated Black interior, this car combines classic Ferrari design with smooth V12 performance.

Incredible Power and Speed

The Ferrari 456 M GTA is equipped with a 5.5-liter naturally aspirated V12 engine that delivers 442 horsepower and 550 Nm of torque. It features a refined 4-speed automatic transmission, allowing it to accelerate from 0 to 100 km/h in just 5.2 seconds. It reaches a top speed of 302 km/h. Designed for long-distance luxury touring, the 456 M GTA balances raw Ferrari power with everyday usability and comfort.

Exquisite Exterior Design

The Blue finish showcases the elegant proportions of the 456 M GTA, featuring a long bonnet, flowing roofline, and strong stance. Signature Ferrari design elements like pop-up headlights, sculpted side panels, and quad circular taillights create a striking presence on the road. Lightweight alloy wheels and chrome accents enhance the grand touring silhouette.

Luxurious and Sophisticated Interior

Inside, the Black leather interior reflects Ferrari’s careful attention to detail. Hand-stitched upholstery, polished aluminum trim, and driver-focused layout define the cabin. Comfortable leather seats, a classic gated shifter design (unique to this model), and top-notch sound create a cozy atmosphere, while keeping the distinct Ferrari driving feel.
