2025 Ferrari Purosangue, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We are excited to present this outstanding 2025 Ferrari Purosangue, the brand's first four-door, four-seat SUV that reshapes performance and practicality. It features a stunning Verde Dora exterior and a refined Tan interior, blending Italian elegance with powerful capability.

Incredible Power and Speed

The Purosangue has a naturally aspirated 6.5-liter V12 engine that delivers 715 horsepower and 716 Nm of torque. It accelerates from 0 to 100 km/h in just 3.3 seconds, with a top speed of 310 km/h. An innovative all-wheel-drive system, rear-wheel steering, and active suspension provide unmatched control and agility, ensuring Ferrari's signature feel in every drive.

Exquisite Exterior Design

The Verde Dora finish highlights the Purosangue's sculpted proportions and bold stance. Its aerodynamic design includes sleek lines, aggressive intakes, and Ferrari's iconic lighting elements. The 22-inch alloy wheels, muscular arches, and coupe-inspired silhouette set it apart as both a luxury SUV and a performance marvel.

Luxurious and Sophisticated Interior

Inside, the Tan leather interior offers a mix of comfort and modern technology. Hand-stitched upholstery, carbon fiber accents, and premium materials showcase Ferrari's focus on craftsmanship. Four individual sport seats provide comfort and support, while the dual cockpit design and advanced infotainment system ensure an immersive experience for both driver and passengers.
