2025 Rolls Royce Phantom, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top destination for the world's most exclusive supercars and luxury vehicles. We are proud to showcase this exceptional 2025 Rolls Royce Phantom, a masterpiece of British automotive craftsmanship and engineering. This ultra-luxury sedan features a striking Black exterior and an elegant Ivory interior, highlighted by exquisite custom finishes and careful attention to detail.

Incredible Power and Speed

The Phantom is made for those who demand effortless power. Under the hood is a 6.75-liter twin-turbocharged V12 engine that delivers 563 horsepower and 900 Nm of torque. It goes from 0 to 100 km/h in just 5.1 seconds, reaching a top speed of 250 km/h. Combined with Rolls Royce's famous Magic Carpet Ride suspension and satellite-assisted transmission, the Phantom offers the smoothest and most peaceful driving experience available.

Exquisite Exterior Design

With its bold shapes and unmistakable silhouette, the 2025 Phantom in Black has a commanding presence. The polished Pantheon grille, Spirit of Ecstasy hood ornament, and laser-light LED headlamps shape its majestic profile. The 22-inch alloy wheels, coach-style rear doors, and subtle chrome accents create a design that is both timeless and modern. This is a car that asserts itself with quiet confidence.

Luxurious and Sophisticated Interior

Inside, the Ivory leather cabin showcases the height of hand-built luxury. Diamond-quilted upholstery, custom veneers, and ambient lighting create an atmosphere of calm elegance. Rear passengers enjoy spacious legroom, entertainment screens, and an optional starlight headliner, turning the interior into a private sanctuary. Every control, switch, and surface is designed with precision, reflecting the essence of Rolls Royce craftsmanship.
