2020 Lamborghini Huracan Evo Spyder, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top choice for the world's most exclusive supercars and luxury vehicles. We are excited to present this exceptional 2020 Lamborghini Huracan Evo Spyder, a convertible supercar that offers stunning performance with Italian charm. This lightly used masterpiece comes in a bright Green exterior and features a dynamic Green and Black interior, showcasing its bold personality and open-air thrill.

Incredible Power and Speed

The Huracan Evo Spyder has a naturally aspirated 5.2-liter V10 engine that produces 631 horsepower and 600 Nm of torque. It goes from 0 to 60 mph in just 3.1 seconds and reaches a top speed of 325 km/h. With Lamborghini's LDVI (Lamborghini Dinamica Veicolo Integrata) predictive handling system, all-wheel drive, and advanced aerodynamics, the Evo Spyder merges raw speed with exceptional control and precision.

Exquisite Exterior Design

The Green finish highlights the Spyder's sculpted lines and aerodynamic shape, making it instantly recognizable. Noteworthy exterior features include a lightweight soft-top roof that retracts in just 17 seconds at speeds up to 50 km/h, Y-shaped LED headlights, and dual exhausts positioned high on the rear bumper. Aerodynamic improvements ensure better performance and downforce, while 20-inch alloy wheels complete the aggressive look.

Luxurious and Sophisticated Interior

Inside, the Green and Black leather and Alcantara interior emphasizes both sportiness and exclusivity. Bucket seats provide maximum support during spirited driving, while a driver-focused digital cockpit shows real-time performance data. Carbon fiber trim, contrast stitching, and Lamborghini's advanced infotainment system enhance the cabin experience, offering both excitement and elegance.
