2023 Lamborghini Huracan Sterrato, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We are excited to introduce the exceptional 2023 Lamborghini Huracan Sterrato, a bold supercar designed to handle both road and off-road terrains. This rare edition shines with a striking Green exterior and a sporty Black and Green interior, featuring rugged enhancements and Lamborghini's signature design.

Incredible Power and Speed

The Huracan Sterrato has a naturally aspirated 5.2-liter V10 engine that produces 602 horsepower and 560 Nm of torque. It zips from 0 to 60 mph in just 3.4 seconds and reaches a top speed of 260 km/h. With its all-wheel drive system, raised ground clearance, and rally-inspired suspension, this Huracan blends supercar performance with off-road adventure.

Exquisite Exterior Design

Covered in bold Green, the Sterrato has an aggressive stance with a widened track, roof rails, and protective cladding. Its design features rugged wheel arches, off-road LED light pods, and 19-inch forged wheels equipped with all-terrain tires. Every detail merges Lamborghini's futuristic styling with practical capability.

Luxurious and Sophisticated Interior

Inside, the Black and Green leather and Alcantara cabin combines sportiness with ruggedness inspired by rally cars. Bucket seats with contrast stitching offer support for dynamic driving, while digital driver displays and customizable controls create a focused cockpit experience. Carbon fiber trim, ambient lighting, and Lamborghini's premium infotainment system complete this high-performance haven.

Explore Our Collection at Exotic Cars Dubai
